GARDEN BIRD SURVEY

BIRD ID & TALLY SHEET

- 1 Select your garden, park, school or marae.
- 2 Choose ONE day during the nine day survey period.
The dates for the next three years are:
Saturday 24 June – Sunday 2 July 2023
Saturday 29 June – Sunday 7 July 2024
Saturday 28 June – Sunday 6 July 2025
- 3 Look for birds for ONE hour in your survey area.
- 4 Use this tally sheet to record for each species the HIGHEST number seen (or heard) at one time.

TIP

If you see 2 blackbirds at the same time, cross 2.

If you then see 4 blackbirds together, cross up to box 4, not 6.

If you later see 3 blackbirds, stay at 4. Do not add up to 7.

If the count exceeds boxes, then enter the final number into the space provided.

- 5 Submit your survey results online:
