

## Items in the Enviroschools Energy kit

Activity	Item	Amount
Energy usage testing	Arlec Energy Cost Electrical meter	1
	Instructions	1
Wind Chimes	Instructions and list of suggested items	
Understanding where energy comes from	Torch and batteries	1
	Sun image	1
	Windmill	2
	Water wheel	1
	Food items in a tin (can be used in Imagine a World Without Energy)	1
	Battery operated toy and batteries	1
	Hand wind torches	2
Sensing Energy	Balloons	
	Sting and ribbon	
	Straws and a brush to clean them	10
	Small black bowl	1
	Mini chiller bag	1
Solar Potential	Solar shower	1
	Solar light	1
	Solar oven instructions	1
	Coloured card	
	Zip lock bags	
	Tin of items to wrap ice cubes	
	Ice tray (to be used in Sensing Energy too)	1
Energy Pairs	Tin with items	1
	Glass bottle	1

	Plastic bottle	1
	Plastic spoon	1
	Metal spoon	1
	Images - car, bike, dryer, washing line	4
Energy Mind map	Magazines	
	Glue sticks	2
	Tin with pre-cut images	1
Wind Turbine	Template	1
	Paper cups	2
	Card	
	Wooden knitting needles	2
	Straws	2
	Cardboard wind turbine - 4 blade and 6 blade	2
	Small fan	1
	Blu Tack	
	Sellotape	
	Small black fan	
Energy Images	Tin with images	
Imagine a world without energy	Blanket	1
	Small frying pan	1
	Firewood	
	Green fabric	1
	Small torch	1
	Story	1
